

# SPRINGSTOCK

1 JUNE 2019

## INCREDIBLE SPRING BAND 1pm

We kick off this year's festival with the pub's very own house band. This six-piece will be performing a variety of rock classics to get you in the festival mood. Featuring Paul Hancock on guitar, Nick the Landlord on keys, Paul Minchinton (bass), Bradley Lucas (drums) plus our two singers Nicky and Sam.

## DOLLY & THE CLOTHESPEGS 2pm

This fun-lovin' combo from the Kennet Delta have been entertaining the masses with their 'Riverbilly' sounds for over a decade. With accordions, banjos, fiddles, mandolins and the odd washboard, Dolly and her folky cohorts will have you stomping wildly around the lawn!

## STEVE MORANO 3:15pm

Local singer-songwriter and guitarist Steve Morano's music is steeped in Americana, country and folk. He's back for his second year at Springstock by popular demand, and with a new five-piece band. Steve has toured Australia, Nashville and the US West Coast and played on the main stage of Guilfest for five years running.

## STORM WARNING 4:45pm

Voted best new band at the Great British Rock and Blues Festival 2018, Buckinghamshire's Storm Warning is lauded by the UK Blues press as 'one of the classiest, contemporary bands in the UK with superbly crafted original blues-rock songs and breathing new life into blues standards.' Featuring the vocals and blues harp of Son Maxwell, the sublime guitar work of Bob Moore, Russ Chaney on drums, Ian Salisbury keyboards and Derek White on bass.

## XANDER AND THE PEACE PIRATES 6:30pm

6:30pm

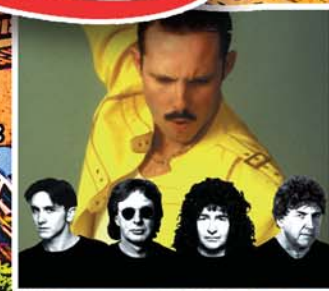

Stanley Dee is an 11-piece band of fine musicians from Hertfordshire boasting a full horn section and backing singers to reverently re-create all the intricacies of the great Steely Dan. They've been gigging for over 10 years and are thoroughly entertaining. So if you love Steely Dan, you will love Stanley Dee!

8:15pm

## MERCURY 10pm

This is the finest Queen tribute band; the only band endorsed by Freddie's Mum, Jer Bulsara, who in 2010 said: "Freddie was an original. He and Queen were the best. But now, in this century, Mercury are the next best thing." Mercury performed at Freddie's first memorial in front of Brian May and Freddie's family.

We booked this band before news got out about the blockbuster film Bohemian Rhapsody so we're very lucky to have them! They put on a great stage show backed by superbly crafted harmonies and intricate guitar work. Now in their 20th year, Mercury have performed across Europe, Dubai and exclusively for Queen's own Roger Taylor.
